

FY 2008 CAFR

The Comprehensive Annual Financial Report (CAFR) presents the audited financial position of the City as of June 30, 2008, and the results of operations for the fiscal year then ended. The FY 2008 CAFR represents the first CAFR that the City has prepared in ten years and with its February 2009 filing with the Secretary of State-Audits Division, represents the final of five years of audits that have been caught up.

The financial statements and supporting schedules have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) and meet the requirements of the standards as prescribed by the Secretary of State.

The City represents that the financial information is accurate in all material respects and is presented to reflect the financial position and results of operations of all City funds.

If you have any questions about the CAFR, please contact Finance Director Richard Seals at rseals@westlinnoregon.gov.
